

## Birthday Parties

Parties at the Museum are a unique and exciting way to celebrate your child's birthday. Reservations fill up quickly and are on a first-come, first-served basis. Reservations must be made a minimum of two weeks in advance and up to six months in advance. Party times are available on Saturdays and Sundays or arrangements can be made for a weekday afternoon or school holiday.

### For All Museum Parties

#### Museum Provides:

An Expert Party Guide  
A Private Party Room  
Invitations (upon request)  
Goody Bags (for an additional fee)

#### Parents Provide:

Refreshments  
Paper Goods  
All required fees

### To book your party

Call (203) 372-3521 x128 or email parties@discoverymuseum.org at least two weeks in advance. All dates, times, and packages are subject to availability. Party themes and fees are subject to change without prior notice.

### Payment

Fees are due in full and payable upon booking your party in order to hold your date. \$50 of your full party payment is a non-refundable, non-transferable deposit/processing fee. The remainder of your party payment is refundable with a minimum of at least two weeks notice of cancellation. No refunds are given for cancellations with less than two weeks notice. There is an additional \$50 charge for rescheduling the date or time of your party. Payment for additional guests must be made at least two weeks prior to your scheduled party date.

## BIRTHDAY PARTIES

- WonderScience
- A Day in Space
- Star Gazer
- Challenger Learning Center

## Challenger Learning Center

**Suitable for Age 10 and up**

Fly a simulated space mission to the Moon in the Museum's Challenger Learning Center. Take on the role of navigator, life support specialist or robot operator as you and your team solve realistic problems. Get a taste of life in space without leaving our home planet Earth. One hour is reserved for serving refreshments.

**Fees: Mini Mission: \$250 for up to 14 guests max**

**\$225 Members**

**Full Mission: \$500 for 16 - 20 guests**

**\$450 Members**

**\$25 each additional guest (26 max)**

*Mini Mission is 1 hour; full mission is 2 hours*

**1 free adult chaperone; \$25 each additional adult**

## Star Gazer

**Suitable for Age 10 and up**

Learn a bit of optics then build your very own telescope that really works!

**Fees: \$300 up to 15 max**  
**\$270 Members**

**2 free adult chaperones; \$5 each additional adult**

## A Day In Space

**Suitable for Ages 6-9**

Make some fun toys and test them in our Space Lab. Each party will include a custom mission patch created by the birthday child.

**Fees: \$250 up to 15**  
**\$225 Members**  
**\$12 each additional guest (20 max)**

**1 free adult chaperone; \$12 each additional adult**

## WonderScience Suitable for Ages 3 - 13

Select a theme from the list below. We are sure to have the perfect science project for your child's birthday.

Our staff will plan and direct all science activities for 1 hour. When it's all over, your child and his or her guests will have some great memories, a fun project to take home and a little extra science knowledge. Admission to the museum after the party ending time is also included.

We ask that you allow 1-1/2 hours for WonderKids parties and 2 hours for Explorers parties.

### WonderKids (ages 3-5)

*Allow 1-1/2 hours*

#### A Star is Born

Learn all about stars and make one of your very own to take home.

#### Magnetic Fishing Party

Our popular fishing party is even better when we use magnets for bait!

#### Science Circus

Choose from catapult, tightrope or flying trapeze.

#### Dino-mite

Your young paleontologist will love to learn about prehistoric beasts and make their very own dino to take home.

**Fees: \$230 up to 15 max**  
**\$200 Members**

**1 free adult chaperone for every child**

### Jr. Explorers (ages 6 and up)

*Allow 2 hours*

#### Things that Fly

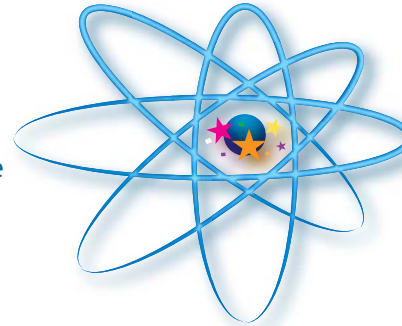

Choose your favorite high-flying theme: airplanes, kites, rockets, or insects.

#### Bubble Mania

There's a surprising amount of science (and fun) in a simple soap bubble.

#### Jr. CSI

We're all set for the party, but someone stole the balloons. Become a junior detective and help us solve this crime!

### Explorers (ages 8 and up)

*Allow 2 hours*

#### Spa Science

Learn a bit of basic chemistry as you mix up some great bath and beauty products.

#### Mad Scientist

Slime, gak, ooze and other concoctions make this party a hit with young wizards.

#### Light Fantastic

After experimenting with light and mirrors, kids will make their own kaleidoscope.

**Fees: \$250 up to 15**  
**\$225 Members**  
**\$15 each additional guest**  
**(20 max)**

**2 free adult chaperones**  
**\$5 each additional adult**
