Membership Means More!

The Discovery Museum and Planetarium features interactive exhibits, educational programs and fun for the whole family. With nine main galleries, "Preschool Power" for toddlers, our Challenger Learning Center space mission simulation experience, and hands-on activities, we offer plenty to explore and discover!

The Henry B. duPont III Planetarium hosts daily shows for all ages. New exhibits include "Dare to Discover" and "Get Physical!" with expanded activity centers and exhibits featured throughout the year.

Creative Weekend Workshops, a host of Summer Programs, and numerous Special Events and activities are offered to members at additional savings.

More Access

From special events and exhibitions to private receptions and museum rentals, members enjoy choice opportunities, early notifications, and exclusive invitations.

More Science Fun

More fun and exciting opportunities are on the horizon! Members receive special advance notice and e-blasts for unique programs, events and new offers. Come experience exciting new galleries and our state-of-the-art Challenger Learning Center!
