

GSK Science in the Summer™

In partnership with The Franklin Institute

Free summer program for kids

Are you ready for a summer of science? Then join us for a FREE STEM program designed to explore how to Be A Chemist!

Virtual sessions are provided by the Discovery Museum. All sessions cover the same content and demonstrations—choose one that works with your schedule! Materials kits are available for curbside pickup from the Museum (scheduled upon registration for live sessions).

Live sessions will be held on each of the following mornings from 10am-11am:

August 24, 25, 26, 27, 28

Live sessions will be held on each of the following afternoons from 2pm-3pm:

August 24, 25, 26, 27, 28

Sessions will be added on an ongoing basis. Contact us if your organization wants to partner with us to reach more students! Students must be entering grades 2-6 to participate. For more info, please email: info@discoverymuseum.org

Or, for more site information and updated session dates, visit us at:

www.discoverymuseum.org/gsk-science-summer/

What is it?

GSK Science in the Summer™ is a fun and free science education program sponsored by GSK, in partnership with The Franklin Institute.
